# SPEAKERS TRIBE CONFERENCE 2025

GOLD COAST

## What exactly is the Speakers Tribe Conference?

The Speakers Tribe Conference was born from the global movement, Speakers Tribe. It's an annual event where members globally come together. We celebrate, do life together and learn how to make a difference. Each year we have a Theme, so for 2025 our theme is:

***“THE NEW NOW... A Conversation about the Exponential”***

## Who is Speaking and When?

We have chosen not to share the exact times of who will be speaking and when. Though an important thing to know is that we have orchestrated the program to ensure that every single session is jam-packed with valuable content, inspiring stories and insights to know where the future is going. This means that you can not miss a single session, or you might miss that one moment that you really needed to hear.

## What is the Dress Code?

We want to see you shine each day. People want to interact with you. And ultimately, the greatest value you are going to get is the conversation, connections and community that you will build with everyone.

However, there are 2 recommended dress codes throughout the Conference.

- Smart Casual Look: for general Conference sessions.
- Glamour: is for your Hollywood Themed Awards on Saturday night. We like getting dressed up so go for it.

## Will there only be Bootcamp alumni and Speakers Tribe members in attendance?

We have opened up this event to the entire public. Though most of the attendees are Speakers Institute Alumni and current Speakers Tribe Members. Many of our speakers are also Tribe Members. Though we all serve the one and only purpose of the Speakers Tribe... We all want to *'Make A Difference'*.

## Tell me more about how TENx works?

TENx is an initiative where 10 speakers do a 10 min presentation on the theme of the event. Being a TENx Speaker is by application. This means that for those interested in speaking on the TENx Stage they must submit a 1min video sharing the reasons why their message and story is valuable and relevant for the TENx Stage. For more information please see the TENx Application Document.

## Are the staff from Speakers Institute going to be in attendance?

Most of the Speakers Institute staff will be in attendance. Speakers Institute has a huge invested interest in the success of Speakers Tribe, particularly its founders, Sam & Kate Cawthorn. We believe in the movement and what's possible with its members. Speakers Tribe Conference is the premiere annual event for all alumni of Speakers Institute and we believe in each and every person that has had training by the Speakers Institute.

## Is any product or selling to be done from the stage?

Speakers Tribe Conference is predominantly a 'no-selling-from-the-stage' event, though some of the speakers will have small cost books and resources available for attendees to buy. We believe we are doing a disservice to attendees if there is no tangible value that you can takeaway and implement a post event. This means that we encourage books and small priced resources to be purchased by attendees for ongoing learning. The only sale from the stage will be the next year's Speakers Tribe Conference, in this case, "*Speakers Tribe Conference 2026*".

We are however looking for Sponsors for the event who are interested in a mutual relationship and advertise their product/service as a sponsor.

## **What if I bought a Speakers Tribe Conference ticket before in the past but never went?**

Unfortunately if you have been a past Tribe Conference Ticket Holder and never went, that ticket is now expired. However you can get discounts if you are a current Tribe Member.

## **Can I use Speakers Institute Credits to buy my Tribe Conference Ticket?**

Unfortunately you can not use Speakers Institute (SI) Credits to attend the Speakers Tribe Conference.

## **How excited should I be about Speakers Tribe Conference?**

Speakers Tribe Conference is the place to be for the next generation of speakers and influencers in tomorrow's world. We assemble the best trainers and speakers the world has to offer, and we ensure an outstanding experience, from the phenomenal, virtual interactive platform, to the extraordinary videos, entertainment and epic stage we have planned.
